

## DIRECTIONS/FEATURES

- Use approximately 1/2 gallon of degreaser for each square foot of water surface.
- FLOATING LIFT STATION DEGREASER is an all-natural cleaner and is environmentally safe.
- The special non-emulsifying formula is designed to float on the water's surface, allowing the solvents to clean all surfaces as water levels rise and fall.
- FLOATING LIFT STATION DEGREASER deodorizes as it cleans, leaving behind the scent of fresh oranges.

This product contains  
d'Limonene . . . . .

5989-27-5

## FLOATING LIFT STATION DEGREASER

NATURALLY STRIPS AWAY GREASE WITH  
THE POWER OF d'LIMONENE

### CAUTION - COMBUSTIBLE

Harmful or fatal if swallowed. See side panel for  
additional precautions and first aid instructions.  
**KEEP OUT OF REACH OF CHILDREN**

## DESCRIPTION

FLOATING LIFT STATION DEGREASER uses the cleaning power of d'Limonene, an all-natural citrus extract, to strip away heavy grease accumulations from walls, pumps and other surfaces. FLOATING LIFT STATION DEGREASER uses no petroleum distillates, so the cleaning agents work quickly and effectively without the environmental hazards or the disruption of biological treatment processes.

### CAUTION - COMBUSTIBLE

Harmful if swallowed. Keep away from heat or open flame. Use with adequate ventilation. Avoid prolonged or repeated contact with skin. Avoid contact with eyes. If splashed in eyes, flush with plenty of cold water for at least 15 minutes. If irritation persists, obtain medical attention. If swallowed, call a physician immediately. Give person several glasses of water. Do NOT induce vomiting.

**KEEP OUT OF REACH OF CHILDREN**
