DESCRIPTION

SUPER ORANGE DEGREASER is an all-natural degreaser formulated with orange peel extracts and emulsifiers. These powerful ingredients allow SUPER ORANGE DEGREASER to cut through heavy gum, wax, grease and oil – even tar and asphalt – without any harm to paint, carpeting or upholstery. SUPER ORANGE DEGREASER also cleans concrete and masonry quickly as the strong emulsifiers grab hold of dirt and grease to allow a quick flush with a hose to rinse the surface clean.

CAUTION - COMBUSTIBLE

May be harmful if swallowed. Keep away from heat or open flame. Use with adequate ventilation. Avoid contact with eyes and mucous membranes and prolonged or repeated contact with skin.

FIRST AID:

If Swallowed: Give person several glasses of water. Do NOT induce vomiting. Obtain medical assistance.

If In Eyes: Flush eyes with plenty of cool water for at least 15 minutes. Obtain medical assistance.

If On Skin: Wash with soap and water.

If Inhaled: Remove person to fresh air.
